Local Competitive Procurement Process for Competitive Procurement Process for WIOA Youth, Adult, and Dislocated Worker Programs.

Effective July 1 2015

To ensure full and open competition for provision of services under the Workforce Innovation and Opportunity Act (WIOA), the Southeast Workforce Development Board (SE WDB) has established the processes outlined below. These processes comply with 29 CFR (Code of Federal Regulations) 95, 95.40 through 95.48; TEGL 09-00; TEGL 35-10; and DWD Issuance 01-2012.

Advertisement/Notification:

To foster competitive procurement in accordance with WIOA guidelines, the WDB maintains a list of potential bidders who receive the Request for Proposals either in hard copy or electronic format. That list is updated periodically as the WDB becomes aware of new/different organizations that might have an interest in providing services. The notice of Request for Proposals is also posted on the SE WDB website (www.job4you.org). The WDB posts notices in conventional media outlets; we also use MAWD and TEAM website.

Proposal Response Time:

The notice of Request for Proposals is posted, and correspondence to potential bidders is sent with no less than, 30 days prior to the grant submission deadline. With the announcement of solicitation for proposals, we provide a mandatory pre-bidders conference, date/time. At the conference, a brief background on the 13-county area; the projected amount of funds available for the WIOA program(s) we are soliciting proposals on; instructions for completing the proposal; attachments that must be included with the proposal; the application submission process and deadline.

Proposal Evaluation:

WDB staff develop an evaluation (score) sheet based on criteria required for successful performance of the WIOA program. Evaluation factors considered include completeness and timeliness of proposals (all the required elements are addressed/attached and the proposal was received prior to deadline expiration); reasonableness of costs; performance targets; probability of achieving proposed targets; compliance with WIOA; and past performance (if applicable).

Review of Proposals:

We operate under the NGCC model, as a staffing grant only, for the WIOA Adult and Dislocated Worker programs. The WDB Staff and WDB Executive Committee members receive the RFP guidelines, the proposals received in response to the RFP, and the proposal evaluation sheet after the submission deadline. Committee members who represent an agency which has submitted a proposal for consideration are not included in this distribution.

WDB staff and committee members independently review and score each proposal.

Award Recommendation: During a full WDB meeting those members discuss and review evaluations; a vote is cast in committee to recommend subcontractor(s) to the full board. When WIOA Youth service providers are procured, a similar process is followed as described above. The WDB Youth Action Network receives the proposals for review, as do the appointed WDB Staff. The Youth Action Network makes a recommendation presentation to the full board for vote.

Award/Non-award Notification: The Organization(s) that is award contract(s) are contacted via phone and notified of the WDB decision. Each organization that responds to the RFP with a written proposal is notified via letter of award/non-award based on majority vote at the board meeting.
